PERSONAL PROFILE

I am currently enrolled as a student in the Sri Lanka Institute of Information Technology (SLIIT) pursuing a Information Technology undergraduate degree. I'm on a journey of continuous learning, driven by passion for web development and design and I am seeking exciting opportunities related to the same and open to exciting opportunities that align with my passion for technology

WORK EXPERIENCE

INTERN FRONTEND DEVELOPER

CODETECH LK | REMOTE

2022 - 2023

- Engaged as a **Front-end developer**, I contributed significantly to web applications by crafting intuitive user interfaces.
- Successfully boosted front-end aesthetics using ReactJs and CSS, and played a key role in advancing the team's development efforts.
